NOTES AND ADDITIONAL INFORMATION:

- Vertical Four-Track door style pricing includes: white frame, clear 10-mil vinyl glazing, factory installed saddle threshold, 14-1/4" kickplate*, and 1814 charcoal screen rolled in frame
Fixed Lite door style pricing includes: white frame, 1814 charcoal screen glazing, factory installed saddle threshold, and 4-3/4" kickplate*
* Kickplate dimension is always measured from bottom of opening to top of kickplate. Refer to the Eze-Breeze Product Guide page 54
- When specifying a custom kickplate dimension other than the standard 14-1/4" for the Vertical Four-Track style, add the Custom Kickplate charge
When specifying a custom kickplate dimension other than the standard 4-3/4" for the Fixed Lite style, add the Custom Kickplate charge
- Optional frame colors: beige, bronze, or pebble khaki (driftwood)
- Optional vinyl colors: smoke gray, dark gray, or bronze
- Custom size doors go to next largest size width and height of the Custom Size Pricing grid
- Hardware package - add \$87 list per slab. Set includes a knob with key lock and a single key deadbolt with thumb turn
Specify: satin silver, antique brass, or polished brass
Knob only with key lock - add \$54 list. Specify: silver satin or antique brass
- Custom deadbolt location can not be less than 40-5/8" from bottom of opening to center of bore
- Optional vent quantities: 3-vents or 2-vents. Refer to Eze-Breeze Product Guide page 15
- 2020 Screen mesh price the same as BetterVue™Screen. Specify: charcoal or gray when ordering.
